*Wind over Heaven*  
*Weak Leader blowing away*

**JUDGMENT**

*A weak leader, unbalanced on all three levels,  
 is exhausted and will soon be going down.  
 Friction within the family and the administration  
 all of a petty, or lowbrow nature.  
 This is what happens when a man not qualified  
 is elevated through Influence to a role above his abilities.  
 He is going down!*

### Notes

- HEM: Water above in Heaven & Earth: sky occluded, a-hard rain's coming
- #31: PAST: President is position of great influence, had connections, possibly corrupt
- #9: Small power = weakness; Line 4 is line of Manager not Leader. He's a puppet.
- #47: FUTURE: Exhaustion; merit running out, his time is over
- #29: Warrior Leader or The Abysmal, the Pit, a trap, dead end. Not good!
- #29: If you are sincere then success; but if you are not as in this case...
- #38: Nuclear/MAN: Family disagreements or administrative friction

### Summation

Hexagram #9's ruling line is in the fourth place, the leader of the Secretary not the Boss, the Minister not the President. Biden is not a true leader. Many changing lines denotes imbalance, plus all three are yang making Heaven which is leadership unbalanced again. 1-3-6 = unbalanced Earth, Man and Heaven, beginning, middle and end. The Derived Abysmal is one of the most challenging Hexagrams, not always bad but with this Query, definitely. Joe is going down especially since the Future Influence is #47 Exhaustion, also clearly negative: he's run his course and is going down. The core dynamic is #38 Opposition, showing the older daughter beneath the younger, which is incorrect but also somewhat petty since neither are in charge. A mess.
